1	From The Govt of India. ARP. 134/41-42 dt 7th ms. 42 forwarding a draft notification on the Control of Animal Order together with the Rules thereunder and requesting that the notification may kindly be issued.
	2) It is stated that the orders on which the draft notification is based is the Govt of India letter dt 4th Jan. 41 and the Madras Govt Notification. But the subsequent letter from Govt of India states that the scheme originally proposed appears to be somewhat out of proportion to the necessities of the case. The Madras Notification is only re: the Delegation of powers. Similar It is not clear from the file whether the present draft Order and Rules have been issued either by the Govt of Madras or in the Cd M Sfn. If the Cd M Sfn has taken or proposes to take such action, perhaps this Govt may also do likewise. Subj for perusal and orders.

Para 3 to 7 of the draft orders do not seem to be covered by Rule 4 (2) (i) of the Defence of India Rules Further the issue of such orders do not seem to be controlled The rules were proposed to obtain the control of separate A.R.P. service for animals. That will have, presumably, to be done under the A.R.P. Services Act.

It was suggested by the Govt of India that a simpler scheme may be applied to the Dist of Agra & Cawnpore

8) The draft order sent by the ~~D~~ C. ~~as~~ I.G.P. is presumed to be in exercise of the powers under S 69 (1) (b) of the Defence of India Rules. But S 69 (1) (b) confers powers on Govt. only to direct that particular animals & property shall be removed from specified areas. But para (5) of the draft order seeks to issue certain directions to persons in charge of cattle during a raid, but this is not contemplated by S 69 (1) (b); the proper section under which this power could be taken is under S 81 of the Defence of India Rules under which the Govt can issue directions with a view to protecting the general public etc. Hence this order may be issued by Govt in exercise of the powers conferred by Rule 69 (1) (b) & S 81 (1) of the Defence of India Rules as has been done by Govt of Bengal (Gazette enclosed).

Secondly, a draft of Fly See H.D.P for Animals - Rules has been submitted. It is doubtful if the Rules could be issued under either of the Sections quoted above. Apart from this, ~~it is doubtful~~ such an elaborate of organisation for the control of animals. Power has been given under Para 6) of the draft order to all Police officers, A.R.P personnel & officers of Veterinary department to seize animals found straying.

It is submitted, that the powers given to the authorities mentioned will be sufficient for the purpose. Even the Govt. of India in their recent Communication state that a simple A.R.P. scheme is what is called for.

Under the circumstances, perhaps the Control of Animal order may be issued under the the Defence of India Rules, without the Rules for establishing a Veterinary Service.

Even before issue of the Rules, perhaps the I.G.P. may be asked to ascertain from the C.+M. Stn. authorities as to the action taken by them, as suggested by the Office.

It shall come into force at once. It extends to the cities of Bangalore and Mysore and such other areas as may be notified in the official Gazette".

including "buffaloes".

As cattle has the meaning of livestock such as horses, sheep etc. The term may perhaps be defined as follows:—

"Cattle" includes buffaloes, oxen and goats.

In the Bengal order "dangerous area" is the notified area to which the order applies. Except in the draft the order is made applicable to specified areas, namely Bangalore & suburbs.

In clause 6 it is perhaps necessary to add "~~the~~ from the area to which this order applies" after the words "remove such animal."

It is for orders if cart is to be included in clause 4; clause 6 is new as it is not found in the Bengal order
